

SAMPLE THANK YOU LETTER

**Now thank we all our God,
with heart and hands and voices,
who wondrous things has done,
in whom this world rejoices.**

<<Dear Name>>

When your gift arrived I found myself humming the tune to the above hymn and praying the words in my heart. I know that all our Dominican Sisters of Hope join me and say thank you! On <<date>> we received \$<<amount>>.

Your gift is so very precious because we now have the funds to continue what we could not finish last year. We will now be to restore the land around our facility and stop erosion. But more than that you have helped keep our Sisters and visitors safe. Thank you so very much!

As we ring in the New Year I pray with my Sisters that it is one filled with joy and peace for you - - that you feel an abundance of love - - and that all those close to you recognize the goodness in your heart.

Thank you for continuing to believe in us and for helping us minister to those in great need and provide the health care our older Sisters deserve.

Wishing you peace and joy throughout the New Year!

Sister Much Gratitude

Please consider remembering us in your will. Your thoughtful bequest will help us care for our elderly and infirm Sisters and continue our active ministries among the people of God.
